The cotillon of one hundred couples began shortly before midnight and was led by George Howard. The favors were bouquets of flowers, fancy baskets, Japanese parasols and fans. RESIGNS TO RETURN TO PRACTICE OF LAW

Solicitor Wishard, of Internal Revenue Bureau, Leaves the Service.

Albert W. Wishard, solicitor for the Bureau of Internal Revenue, has resigned. The resignation is to take effect the end of this month, and Mr. Wishard will return to his native State, Indiana, to practice law. In fact, his resignation is due to his desire to return to his law business there. He has made great financial sacrifices in holding his present office.

Mr. Wishard resigned the district attorneyship in Indiana two years ago to accept an appointment as solicitor of internal revenue. His long and able services to the Republican party in Indiana gave him the endorsement of the entire party. His high attainments as a lawyer made it a popular appointment. He was Senator Fairbanks' chief lieutenant through one of the Senator's political campaigns, and has for years been closely associated with him.

Attorney General Knox expressed his regret upon accepting the resignation, and thanked Mr. Wishard for the thorough manner in which he had performed his duties.

TOILET HINTS.

The neck and throat may be whitened if the following paste is spread on a soft rag and wrapped round the neck every night: Take one ounce of honey, one teaspoonful of lemon juice, six drops of oil of bitter almonds and the whites of two eggs, and to these ingre-

diants add enough fine oatmeal to make a smooth paste.

If you have very little to spend on dress never buy glaring colors, but quiet and unobtrusive shades. Everyone remembers a bright colored dress, and if it has to be worn for a long time one gets tired of seeing it, while a dark colored one can be worn without drawing attention and varied by changes of neckwear or vests to prevent monotony.

Take of ivory black and treacle two ounces each, sulphuric acid half an ounce, olive oil one teaspoonful, white wine vinegar three-quarters of a pint. Mix the ivory black and treacle together in a jar, stir in the sulphuric acid, then the oil, and lastly the vinegar. Add each very gradually and stir till thoroughly mixed. This compound is an excellent polish for boots.

NEW PAPAL UNIFORMS.

A rare innovation is about to be introduced in the Vatican. The Papal noble guards will receive new and gorgeous uniforms, to be worn for the first time on March 3, 1903, the day on which the pontifical jubilee of Leo XIII will be celebrated in St. Peter's.

The new uniform will consist of purple doublets, white leather breeches, high patent leather boots, and polished steel helmets, with white horsehair tufts. The uniform will be very costly.

ITALIAN CHEESE.

Making Italian cheese is a new industry which is attracting attention in New Jersey. Many cheese factories have sprung up and tomato canners have turned to cheese making to utilize the overabundance of tomatoes. The latter are collected and mashed and then mixed with salt and spices in a large box like a mortar bed. They are then stirred and mixed by hoos to a proper consistency, but thereafter the process is known only to a select few.

MUSICAL ART SOCIETY OPENS ITS SEASON

Distinctly Successful Production of Several Interesting Compositions.

The first concert of the season by the Musical Art Society was given last night in the banquet hall of the New Willard, and the generous attendance accorded the event proved that the excellent work of the society last year has not been forgotten. The audience was not only large, but distinctly enthusiastic and critical. Compositions by American writers made up the program, and each number, from the familiar "Legend of the Chimes," from Reginald De Koven's "Robin Hood," to the less known Indian transcription by Frederick Burton, was listened to with interest.

The Musical Art Society has come to be recognized as one of the permanent musical organizations of Washington, and its concerts are among the interesting events of the season. While there are usually but two entertainments in the series, weeks of rehearsal are devoted to these two with peculiarly satisfactory results. The society is made up of a chorus of soloists, each an earnest student of music, and when their efforts and musicianly instinct are combined, the result is inevitable. Under the able leadership of W. Edward Heilmendahl the numbers were given with a precision and beauty of phrasing that won hearty applause for the singers and Mr. Heilmendahl.

The "Robin Hood" number was sung effectively, Miss Edna Scott Smith's beautiful mezzo-soprano voice showing to advantage in the solo. Heratito W. Parker's "Harold Harfager" proved a heavy, dramatic composition, but wholly within the range and capability of the singers. Two Indian melodies, "My Bark Canoe" and "A Song of Absence and Longing," were pleasingly interpreted.

Arthur D. Mayo was the solo pianist. His selections included two MacDowell numbers and Tchaikovsky's "A Midsummer Night's Dream." Mr. Mayo and Mr. Pfeiffer served as accompanists.

PATRIOTIC SERVICE

NEXT SUNDAY

A patriotic service will be held at Mount Pleasant Congregational Church next Sunday evening, at which addresses will be delivered by Justice David J. Brewer, of the United States Supreme Court; Representative J. V. Graft, of Illinois, and Commissioner H. L. West. A special musical program will be given by the choir of the church.
